Firm Information: Riverbridge Partners, LLC is a Minnesota based investment advisor registered with the Securities and Exchange Commission under the Investment Advisors Act of 1940. The firm provides investment management services to institutional and individual investors. The company offers growth-oriented investment services by investing in growth equity securities, which it believes will provide high returns over the long term. The firm's standard fee schedule is an annual 1%.

Composite Characteristics: The Small Cap Growth Composite was created in July 1988. It is a growth stock portfolio invested in small to medium sized growth companies. This strategy generally invests in companies with market capitalizations of less than \$5 billion. A complete list and description of all firm composites is available upon request. The composite benchmark is the Russell 2000® Growth Index. The Russell 2000® Growth Index includes the segment of securities within the Russell 2000® Index with higher price-to-book ratios and higher forecasted growth values. The Russell 2000® Index is an unmanaged index measuring the performance of the small-cap U.S. equity universe. Prior to 2008, the Russell 2000® Index was also shown for general market comparison purposes. The composite minimum value is \$100,000.

Calculation Methodology: Valuations and returns are computed and stated in U.S. dollars. Individual portfolios are revalued daily starting 1/1/2009. Prior to that, individual portfolios were revalued monthly and intra-month when large cash flows (defined at 10%) occurred. Gross-of-fee returns are calculated net of transaction costs and gross of management fees. Until 12/31/2007, net performance was calculated by applying the maximum annual management fee of 1% to gross performance on a monthly basis. Starting 1/1/2008, net-of-fee returns are calculated net of actual investment management fees. Both gross-of-fee and net-of-fee returns are calculated gross of all withholding taxes on foreign dividends. Accruals are included in calculations. The dispersion measure is the equal-weighted standard deviation of accounts in the composite for the entire year. Additional information for valuing portfolios, calculating performance and preparing compliant presentations is available upon request.

Other Disclosures: Riverbridge Partners, LLC claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Riverbridge Partners, LLC has been independently verified for the periods 12/31/1989 – 12/31/2017. Verification assesses whether (1) the firm has complied with all the composite construction requirements of the GIPS standards on a firm-wide basis, and (2) the firm's policies and procedures are designed to calculate and present performance in compliance with the GIPS standards. The Small Cap Growth Composite has been examined for the periods 07/01/1988 – 12/31/2017. The verification and performance examination reports are available upon request. The benchmark returns are not covered by the report of the independent verifiers. Past performance does not guarantee future results. This performance report should not be construed as a recommendation to purchase or sell any particular securities held in composite accounts. Market conditions can vary widely over time and can result in a loss of portfolio value.

NOTE: Prior to 10/01/2007, the returns presented for the Large Cap Growth Composite represent the returns of the Large Cap Growth Wrap Composite and represents pure gross of fee performance, gross of all management fees and transaction costs. The Large Cap Growth Wrap performance presented above represents pure gross of fee performance, gross of all management fees and transaction costs. All accounts in the Large Cap Growth Wrap composite have a bundled-fee arrangement. The bundled-fee includes broker fees, investment advisor fees, custodian fees and any administration fees. The firm's management fee for Large Cap Growth Wrap is based on wrap account agreements and is approximately annual 2%. The investment strategy employed is similar for both composites. Since the Large Cap Growth Composite did not have any accounts in it prior to 10/1/2007, we have appended the history of the Large Cap Wrap Composite to demonstrate our experience managing a large cap growth investment strategy. This information is being provided as supplemental information.

Gross-of-fee returns are calculated net of transaction costs and gross of management fees. Until 12/31/2007, net performance was calculated by applying the maximum annual management fee of 1% to gross performance on a monthly basis. Starting 1/1/2008, net-of-fee returns are calculated net of actual investment management fees. Both gross-of-fee and net-of-fee returns are calculated gross of all withholding taxes on foreign dividends. Accruals are included in calculations. The dispersion measure is the equal-weighted standard deviation of accounts in the composite for the entire year. Additional information for valuing portfolios, calculating performance and preparing compliant presentations is available upon request.

Firm Information: Riverbridge Partners, LLC is a Minnesota based investment advisor registered with the Securities and Exchange Commission under the Investment Advisors Act of 1940. The firm provides investment management services to institutional and individual investors. The company offers growth-oriented investment services by investing in growth equity securities, which it believes will provide high returns over the long term. The Concentrated Growth portfolio utilizes a performance based fee schedule. An incentive fee shall be earned by the firm in any calendar year in which the value of the account increases by more than 5% (adjusted for any and all additions or withdrawals). The incentive fee amount shall be 20% of the excess appreciation (above 5%) as long as the account value has reached a new "high water mark" at that point in time. In addition, there is a base fee of .50% of assets under management in the performance based fee account. The performance-based fees are paid annually immediately following the conclusion of the year.

Composite Characteristics: The Concentrated Growth Composite was created in May 2002. It is a growth stock portfolio invested in a limited number of growth companies of all market capitalization ranges. A complete list and description of all firm composites is available upon request. The composite benchmarks are the S&P 500® Index and the Russell 3000® Growth Index. The S&P 500® Index includes 500 industry leading companies measuring the performance of the large-cap U.S. equity universe. The Russell 3000® Growth Index includes the segment of securities within the Russell 3000® Index with higher price-to-book ratios and higher forecasted growth values. The Russell 3000® Index is an unmanaged index measuring the performance of the broad U.S. equity universe. Prior to 2008, the S&P 500®, Russell 2500™ Growth, Russell 1000® Growth, and Russell 2000® Growth indexes were also shown for general market comparison purposes. Composite dispersion is not presented for years with 5 or fewer accounts. The composite minimum value is \$100,000.
